Certified Stands Applications

Hydra Tech International's Stands are certified to ASME PALD 2005 and are offered in a full range of sizes along with various extensions and saddles. Steel stands have an optional tailored base for tight clearances and aluminum stands offer easy maneuverability, with either a wheeled assembly or fork assembly to best suite your specific needs.

Stand Sizes (inches): **Custom Requests** or 18, 24, 28, 31.5, 32, 37, 40, 42, 43, 45, 46, 48, 50, 52, 54.5, 55, 57.
