Shop Floor Service Table

Applications

The Shop Floor Service Table is an excellent tool for any lifting jobs around your shop. With a 2,000 lb capacity, 12" clearance, and 36" vertical travel this lifting table can be used for many tasks and low resistance wheels allow for quick and easy transportation. To make lifting operations safer for all personnel present, an extendable pendant control allows for the device to be operated at a safe distance.

MAKING WORK SAFE!
